

Theodore Roosevelt High School Alumni Membership Recruitment

Did you graduate from Theodore Roosevelt High School, located in Washington DC? If so we are looking for you, members of your graduating class, family and friends to **grow our membership and to reestablish** the Orange and Blue Rough Rider pride.

We are contacting you based on an e-mail provided by you or someone else that may have come to one of our membership meetings over the last decade. We do not wish to intrude on your time, but are asking for your help in updating our records. Through your assistance, we will be able to inform you of the many events and activities that the alumni association has planned with the “**New**” Theodore Roosevelt High School and the surrounding community.

As members of the alumni association, volunteered members are involved with the citywide DC public school beautification day, community appreciation, student recruitment, school supply drive and assisting the staff/faculty at Theodore Roosevelt.

Our fundraising efforts are directed towards providing scholarships to graduating seniors, deposits and final payments for the annual **All Alumni Cookout**, the post Homecoming party and at least one major fundraiser event.

Through our continued efforts and involvement, we hope to arrange an **Alumni Walk through**, once the doors open to the **new building in 2015**. That way you can see the progress, reminisce and envision the future of our beloved Theodore Roosevelt

Attached you will find an application for membership into the alumni association. Please complete and return the application to the address provided at the bottom of the application or you can go online at trhsaadc.org and complete it there. **Membership cost is currently \$25.00 per year**, but may change based on annual cost and scholarship funding needs.

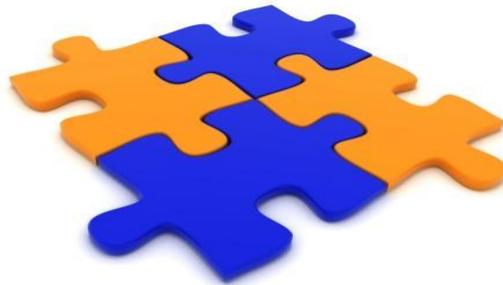

Should you have any questions, feel free to forward them to the address on the membership application, email at roughriderforlife@gmail.com and if you are on **Facebook**, **friend us at RR4Life**. The website trhsaadc.org, is where you can find information about what is going on with the school, pictures and postings of events and a number of tabs, that as an alumnus, you may find helpful.

Thanks for your assistance and WELCOME.

Reason One:

By joining the Theodore Roosevelt High School Alumni Association you will be helping its global community of current and former students, faculty administrators, and community volunteers who are dedicated to creating a strong community and economy, while meeting the needs for sustainable businesses displaying a social conscious.

Reason Two:

The Theodore Roosevelt High School Alumni Association is rooted in the concept of "**Paying it Forward**". Paying it forward, as used by the Alumni Association, is the recognition of the assistance we received throughout our time at Theodore Roosevelt High School and our commitment to provide those or greater opportunities to the current and future student body.

Through membership fees and other fundraising activities, it is the goal to provide scholarships to graduating seniors, hold community awareness events and provide workshops and forums to prepare the Roosevelt community for possible opportunities in today's fast moving world.

Reason Three:

Roosevelt has a proud history of success, spanning several decades. Help us continue to grow the Rough Rider legacy, alumni loyalty and love for our alma mater. By staying committed to the student body, and the community in which we grew up, helps Theodore Roosevelt High School thrive today and for many more years ahead.

Reason Four:

Service - the will to act. We've graduated and moved on with our lives, but our school is still an important, vibrant part of the community and our school needs your support. Many of us have found careers as blue-collar workers, business, medical and legal professionals in both for and non-profits. We're educators, government employees, church leaders, members of the military and so many other successful, positive role models in today's world. Let's use our talents to better the school, the students, the association and the surrounding community.

Reason Five:

You are a graduate of Theodore Roosevelt High School. **You bleed Orange and Blue.** In many ways Roosevelt provided a meeting place for lifetime friendships, team members and an extended family. In many cases it provided a foundation, for the careers that many of us are employed in or have retired from. Through your support, we can continue to shape and mold the careers and lives of so many.

**Do what you can, with what you have, where you are
